students
aged 16-18

Welcome to InterStudies

At InterStudies we are dedicated to providing high quality educational programmes in the United Kingdom and Ireland to students from around the world.

Founded on the values of cultural exchange, acceptance and mutual respect we offer a wide range of high quality programmes, giving each of our students the opportunity to experience enjoyable learning, academic achievement and personal development .

College Select: Quality and flexibility

With our College Select Programmes we offer an outstanding range of high quality options with a high degree of flexibility for international students to study in the UK - from short-term taster programmes to a full set of A-level exams, giving access to a British university.

Helping international students pursue their dream of a classic British education we work with selected colleges in both state and private educational sectors.

A partner you can trust

Choosing the right college

Each applicant has individual needs and requests, and our experienced admissions team is ready to assist you with making the right choice for every student.

A wide range of courses are available to suit all levels and ambitions whether looking for academic qualifications with A-levels, IB or University Foundation, looking for a cultural exchange experience or pursuing an interest during a gap year with a vocational course in almost anything from Robotics to Tourism to Performing Arts. We will work with the right college to put together a programme to meet each student's individual needs.

Accommodation choices

While some students prefer the homely environment of a host family, others look for complete independence. Depending on their choice of college, students have a choice of accommodation with either a welcoming local host family or a group of fellow students in halls of residence.

Academic and Vocational options

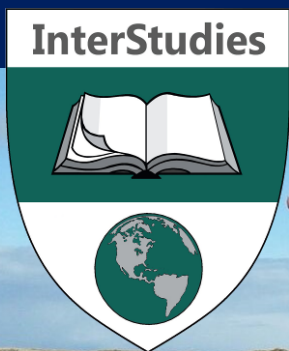

A wide choice is open from the classic academic subjects to exotic vocational options. The great academic selection is ideal for high achievers, and for students wishing to pursue their interests, the many vocational options are perfect. Most colleges offer a range of alternatives to academic programmes, which is a great gap year option or the possibly to pursue an interest at higher level. Theatre, music, robotics, performing arts, football, tourism, hairdressing, horse grooming - the possibilities are endless.

Work with a professional partner

At InterStudies we support our partners with a first class service and top quality programmes. When selecting a college we look for superb educational standards, a desirable location, great atmosphere and an extensive range of courses to give our students the very best college learning experience England has to offer. We are happy to say that we work with a carefully chosen selection of the very best colleges throughout the country.
